

## Franklin Township Softball League-Managers Meeting Jan 29, 2023

### Minutes

Middlebush Field, Sunday noon after league sponsored pick-up game.

Attending: Cruz-A Team, Frank-CW and Peter-Allstate.

### Items:

1. Managers present approved the new manager for A-team, Cruz
2. Mario should follow up with an email to the league formally resigning but he will remain on the roster as a player and to assist the manager. Cruz intends to continue introducing himself to the players and developing a roster as well as trying to create a team email group. He will try to confirm whether last year's team sponsor will renew his funding for 2023 and recover team equipment from JB.
3. League finances--league spent \$135.00 on permits and \$15.00 on lockbox keys last fall and collected \$135.00 from weekly player donations. There is a bank account balance remaining from last year's team-contributions and Element3 monthly credits which totaled \$68.00. The league will need to soon pay for insurance (\$160.00) and field permits (\$750.00). Teams should expect to provide initial funding of at least \$400.00 ASAP.
4. Managers present voted to approve the field use schedule so it can be used to request permits from Franklin Township. A suggestion was made to use Williams Field in place of Lower Inman for 2023 because of the evening sun glare but not adopted.
5. To reduce expenses, the league will try to use one new game ball and one used ball for each game as much as possible.
6. We continue to request a lock box from the town for Middlebush Field.
7. Umpires--CW will contact Mike to see if he will umpire again in 2023. Allstate will contact Clay and Skip.
8. A season game schedule will be prepared and distributed to managers for approval.
